## Thirteen Year Old Boy Writes Interesting Letter.

Drumright, Okla.  
July 8, 1919.

Dear Editor:

As I saw my other letter in print, thought I would write again.

I am a boy 13 years old, was born and raised in Jackson county up to a short time ago. My papa takes the dear old Sentinel, and I sure do enjoy reading it. Come on Stone, Whitleyville and New Hurricane with the news. I also would like to see a long letter in the paper from Woodrow.

It is certainly dry and hot out here now. Health of this neighborhood is fairly good.

Tom Stafford and family, visited Harve Stafford's Sunday.

Miss Mary Jane McCain of Gainesboro, Tenn., and Herman Poston of Burrstown, Tenn., were quietly married Drumright on Thursday July 10th. They are preparing to set up house-keeping in the oil field where Mr. Poston works.

Mrs. Bertha Jenkins and two little sons, will start for Jackson county, Tenn., July 10th.

Ernest Poston and wife and Mr. and Mrs. Herman Poston, were the dinner guests of Mrs. H. B. Stafford on the 4th of July. In the afternoon they went to the ball park, where they saw an interesting match game. Frank Sadler, of Stone, Tenn., was in the game, and was one of the best players. His side won by a good margin. During the game, which was being witnessed by an unusually large crowd, an aero-plane flew over the park, and as soon as it passed over the crowd the motor quit working and down she came thru the trees with a crash and was torn to pieces. Its two occupants escaped unhurt.

The writer is delivering papers on a route now at \$20 and \$24 a month, and will be on the job until school opens in September.

Little Marline Stafford has a new doll and she is all smiles.

Carl Jenkins is selling out to go to Texas, where he will work in the oil field while his wife is visiting back home.

I was indeed glad to hear of Dr. Mabry doing so well as he use practice in our Tenn., home.

Walter Stafford, who is working at Oiltown, Okla., spent Saturday night with his parents H B Stafford and wife.

Frank and Guyle Sadler of Stone, Tenn., arrived here June, 29th. They are nice young men, and are at work every day.

Ball playing is all the go here. Boys that are good ball players get more on the month than those who don't play.

Harrison Painter took dinner at Harve Stafford's Monday.

Mrs. Palo McCain and her new girl are getting along nicely.

Tom Striford who has been on the sick list for the past few weeks is some better.

Mrs. Dora Terry is going to visit her parents, Mr and Mrs. John Cherry, at Stone, Tenn.

Mrs. H B. Stafford says she wants to see her parents, Mr. and Mrs. Tobe McCain, worse than she ever did in her life. That sounds to me like a trip to Tennessee. I wish my father would go back to the farm so I wouldn't have to wash dishes any more.

John V. Poston visited the writer on the Fourth.

Carlos Jenkins went to town last evening and bought his wife two fine dresses, a nice hat and a lot of other things. She is going to Tennessee, where she will undergo an operation.

With best love to the Sentinel and its many readers, I close.

Oliver Stafford.

## What Has Happened.

I was called to Mr. M. F. Young's, who lives in the 9th district, on the 10th day of this month, it being his 69th birthday.

By his request, I made a short talk on the 3rd chapter of John's Gospel, that teaches the great importance of person being born again.

At the close of my remarks, I took his confession and at once we gathered at the river just above his home with his wife all his children and his many friends, to witness the solemn scene of his baptism, which was administered by the hands of Bro. Chaffin, assisted by Bro. Hix. These brethren stand high in the church to which they belong and before the world. When they came to the shore, we could all rejoice with sister Young, and her children. She has been a member of the church a number of years and is known as one among our best christian ladies. We returned to his home

where we found that a birthday dinner was prepared, and all were invited. But owing to my feebleness I had to go home.

Dr. Eaves, of Nashville, four weeks ago, put me under the care of Dr. Gaw, and I have not been out but very little. Dr. Gaw has put the last bandage on my foot, and when this bandage is taken off the first of August, I hope to be all O. K.

Here is something remarkable. Twenty one years ago to a day, his second son, Benton, by his first wife, was baptised. He lived a short time and died with tuberculosis. Eighteen years ago this last May, I was called to brother Young's home and made a short talk, after which I took his daughter, Mamye's confession and baptised her. She was the youngest daughter by his first wife. Mamye was a lovely girl, she had many friends and was liked by all who knew her. She lived only a short time.

This day will be long remembered by me. We hope Bro. Young will regain his health, and that his days may be many here on earth.

Marion Harris.

## Wildcat Still Raided By Revenue Officers.

W. H. Tyler and son, Carson, well known revenue agents of Cookeville, raided what is known as the Hensley Hollow, this county, early Thursday morning capturing a large still, several hundred gallons of beer and five prisinors, Mat Keith, Ace Williams, Marlin Hensley, Miliard and Chester Young. Keith and Williams were said to be the operators, while the others claim to be visitors only, and not connected with wildcatting.

They were taken to Cookeville where they gave bond for their appearance at next term of Federal court.

## THE PHONOGRAPH OF QUALITY Six Great Advantages In A Jewelled Pathe

- 1 THE FULL CLEAR TONE of each individually toned instrument is produced by all-wood violin tone chamber and the famous Pathe Sapphire Ball. The music flows from the records; isn't scratched off.
- 2 NO NEEDLES TO CHANGE on a jewelled Pathe. The Sapphire Ball never wears out.
- 3 PLAYS ALL MAKES OF RECORDS and plays them better. This is a distinct feature.
- 4 RECORDS DO NOT WEAR OUT. Every Pathe record is guaranteed to play 1000 times.
- 5 ALWAYS READY TO PLAY as soon as you slip on a record. This is another distinct feature.
- 6 THE PATHE CONTROLLA enables you to play any record loudly or softly with the same Sapphire Ball.

And in addition the Pathe has all the features of other talking machines. Yet the Pathe costs no more than an ordinary Phonograph.
